FOREWORD

AFTER MUCH HARD WORK AND MANY SLEEPLESS NIGHTS, THE STAFF HAS COMPILED THIS EDITION OF THE MIRROR TO SERVE AS A REMINDER OF OUR HIGH SCHOOL DAYS, WHEN OUR MEMORIES GROW DIM.

IF THE ANNUAL SHALL IN ANY WAY SERVE TO BRING IN AFTER YEARS, SWEET MEMORIES OF OUR HIGH SCHOOL, THEN WE FEEL THAT OUR WORK SHALL NOT HAVE BEEN IN VAIN.

DEDICATION

THIS ANNUAL IS DEDICATED TO A MAN WHO HAS SHOWN UNFAILING DEVOTION TO THE PUPILS AND UNBOUNDED LOYALTY TO THE SCHOOL, A MAN WHO IS RESPECTED BY ALL THE PUPILS, MR. FRED E. KOENIG, OUR ENGLISH INSTRUCTOR.

Order of Contents

Book I. Our School.

Book II. Our Student Life.

High School Song

1.

St. Marys Hi we're loyal
Loyal to the gold and blue,
Gladly we'll bear thy banners fair
For we are proud of you.

Chorus:

Dear old St. Marys
With thy dear old classic halls;
Thy friendships enduring,
And thy earnest duties call
Shall bind us together
With a tie that's staunch and true;
For our old Hi
We will live and die
For we're loyal to the Gold and Blue.

2.

Aging in simple splendor;
Ever our beacon be
Guiding thy sons in truth and right,
In honor and loyalty.

3.

Long may our High School flourish,
Long may the Blue and Gold
Give to the world the same ideals
That have been hers of old.

Tempus Fugit

Slowly the moments are passing
Soon will our school days be o'er
Then will our hearts e'er re-echo
"O could I but live them once more."
How gladly we'd stand all the hardships,
The lessons, the heartaches, the pain,
If the hour-glass of time would move backward
And bring us our school days again.

Slowly the moments are passing
And forever does Time bid us "On!"
He loses, who stops to look backward;
Past hours and past pleasures are gone.
And forever the Future is calling,
And pointing the road we must tread.
Faint heart never won in Life's battles;
'Tis the men of the past,
Who are dead.

IN MEMORIAM

IN MEMORY OF WALTER ELSHOFF WHO WAS LOVED AND RESPECTED BY ALL WHO KNEW HIM.

WALTER WAS WELL KNOWN THROUGHOUT THE STUDENT BODY DUE TO HIS EXCELLENT PERSONALITY AND SCHOLARSHIP. HIS CLASS IS MUCH GRIEVED AT HIS UNTIMELY DEATH.

Senior Class History

We the Seniors of the class of 1929, having successfully completed our four-year course at Memorial High, wish to express our appreciation to the faculty and student body for the co-operation they have shown us throughout our high-school career.

In September, 1925 we entered Memorial Hi as Freshmen. For our president we chose John Roebuck; vice-president, Ruth Steva; secretary, Harry Critten; treasurer, Donald Hinton. We were represented in many high school activities, especially in athletics. Our class was the largest in the high school, and at the close of the year, we felt that we were ready to become full-fledged sophomores.

In September, 1926 we returned to Memorial Hi as Sophomores. Our class officers were as follows: Alvin Noble, president; Vincent Hudson, vice-president; Harold Thielk, treasurer. Our Sophomore year was regarded a very successful year being represented in school activities and also in athletics.

In September, 1927 we returned for our Junior year which was the best year we have spent in Memorial Hi School. Our class officers were as follows: Vincent Hudson, president; John Gayer, vice-president; Frederick Hudson, secretary and treasurer. The reception given the seniors under the guidance of our president was a real success—in the opinion of everyone, including the faculty and senior class.

In September, 1928 again we returned to Memorial Hi for the last time. Our president was Elmer Gilmore; vice-president, Eunice Engleman; treasurer, George Wilson; secretary, Harry Critten. This was our record-breaking year in athletics. We had fourteen letter men in football, and five letter men in basketball. Only two Senior girls were on the varsity basketball team, but the girls took an active part in all other school activities showing their loyalty to the Gold and Blue.

Our memories of graduation leave a feeling of happiness that we have been successful in our four year course, and regret that the time has seemed so short.

Senior Class Prophecy

One night in early June I chanced to tune in on station M. H. S., St. Marys, Ohio. I instantly recognized the voice of the announcer as that of Elmer Gilmore who was telling the fate of the class of twenty-nine. I was very much interested in the following speech.

Virgil Williams, and Rowena Banning have taken Miss Williams and Miss Smith's positions respectively as teachers at Yale University. Everett Springer married Ludeen Neitermeyer, and they are acting in Robinson's four-ring circus. John Roebuck and Albert Andreoni are head coaches at a rural centralized school in China. Alvin Noble, the "Town's Leading Citizen," has found a mineral spring in the Arctic region. Wilson Bowman after marrying Delilah DeMoss and settling in Moulton, realized his life's ambition by being elected mayor of that city. Vernon Bushong after earning three fortunes at Forest Hill went on the stage at Hong Kong, China. Lucille Vogel, the "Country Girl," is the manager of the Fountain Hotel, and also controls the "Fountain of Youth." Ivan Glass, Elmer Holdren and John Stoner are the head professors in Agriculture in New Mexico. Mox Wesner who succeeded Mr. Van Cleve as professor in Physics joined Barnum and Bailey's sixteen ring circus as the funny man. Donald Hinton, John Hauss, and the Wilson twins are in training at Harvard to better the cross country hurdle and steeplechase race. Earl Rohrbach is chief adviser of the Post Master General, Paul Mackenbach. Harold Thielk, Ralph Whitney, Edward Reilly are preparing for a non-stop flight to Mars. Vernon Sullivan is running for Mayor being opposed to slavery. Elmer Gilmore succeeded Paul Whiteman in directing the California sympathy orchestra. Millie Amstutz, the bashful girl from the South, is succeeding George Hasler in the Agriculture Course. Thelma Arnold, Martha Berg, Leona Bergman are broadcasting over station S-t-a-t-i-c at Kossuth, Ohio. Dorothea Bodkin, Dorothy Brewer, Margaret Croft are trying to better the English Channel non-stop swimming record. Bernice Deerhake, Lillian Grieger, Pauline

Hebble, Catherine Holtman are prospects for the beauty contest for the title Miss America. Edison Taylor, Earl Nagel, Richard Murray, Virgil Meyers are decorating the new "White House" at Coldwater. Joe Glynn, John Gayer, and the Fortman brothers are trying to get a patent for an oil to stop the squeak in cheap shoes. Geraldine Nagel, Grace Priller have taken over the Hudson Bay Co., and having a prospering season in the fur business. Katherine Rupert is still finding a plan to remove the U. S. militia from the capitals of foreign countries. Lucille Selby, Elma Schwepe, Edna Schamp have taken over the Schwepe chicken farm in New Bremen. Ruth Steva, Carabelle Stroh, Marie Sullivan, Dorothy Wirwille are in Paris getting new fashions for the style show at Memorial Hi. Eunice Engleman, Marietta Hayes, and Harry Alspach are arguing where the fist goes when you open your hand. Rollin Bowers, Harry Christopher, Edward Clausing, Merle Coil, Harry Critten went on an expedition to Mars and never heard from since. Albert Andreoni, Vernon Bushong, Edward Reilly, famous debaters of the twentieth century are trying to get a plan to get your books out of your lockers without Mr. Candler seeing you—hear! hear! don't go to your lockers during school time. Dale Van Stronder is still singing tenor in the kindergarten school at New Knoxville, a surburb of St. Marys.

This ends the record of the classmates of the Senior Class of '29 to which it has been an honor to have belonged.

Junior Class History

OFFICERS

President ---------- Robert Coffin
Vice President ---------- Paul Anderson
Secretary ---------- William Engleman
Treasurer ---------- Carmen Mackenbach

The Junior class has been successfully piloted three years by the unfailing hand of Robert Coffin. We entered Memorial High in September, 1926, one hundred forty strong, the largest class which has ever entered Memorial High. Scarlet and Gray were chosen as the class colors. The officers were:

President ---------- Robert Coffin
Vice President ---------- Vernon Noble
Secretary and Treasurer ---------- Harold Bonnette

When we entered Memorial High School, we were much like other freshmen, except that we possessed one quality rare in frosh—brains. However, some teachers will not, even yet, admit this fact.

As sophomores, being accustomed to the routine of the school we entered enthusiastically into all the activities of the school. By this time we had learned to cooperate with our classmates. Our class officers for 1927-28 were:

President ---------- Robert Coffin
Vice President ---------- Ruth White
Secretary and Treasurer ---------- Vernon Noble

Our class has always been well represented in all school activities. Both girls and boys have received letters for taking part in athletics. We have taken an active part in class Basket Ball. Our girls won the class championship in Basket Ball last year, while the boys won the championship this year. We have shown good school spirit in everything that we have attempted. We have justly proved that well known proverb that "Where there's a will, there's a way."

Our School

A school is not a building as has so often been said before, rather it is the sum total of the thoughts and ideas, not only of the student body of its alumni as well.

One may travel far, accomplish many or few things, but neverless the intrinsic worth of us will be, at least partly, a product of the school that calls us alumni.

As we look into the vista of years there's work, and there's play, and there is many a day when our smiles hold nothing but tears. But, oh, the Future! We're glad to greet you—to make or to mar, to fill with the blessings of sunshine or deface perhaps without a scar.

Our school spirit in the class rooms as well as in athletics and activities is not always the best we could make it, so in our aim in life let us try to accomplish this one aim: to make our school as a whole what it really is.

Sophomore Class History

We entered Memorial High in '27, as Freshmen with an enrollment of one hundred seven, which was considerable less than the preceeding Freshmen class.

We were not active in the athletic avtivities of our school; instead we watched, learned, and prepared to take a larger part the next year.

Our officers chosen by the class were: Arthur Boyce, President; Anna Margaret Yahl, Vice President; Virginia Brodbeck, Treasurer and Secretary.

Next came our Sophomore year. We did not have as large a class roll as before.

We took part this year in everything—in athletics, in music and all that was open to us. Several of our boys were on the football team. Of these only one received a letter. The others got honorable mention; but we are sure they will get their letters next year—at least, they are going to do their best for their school.

Our boys were not as active in Basket Ball as in football. They organized a class team though.

We also had several girls on the Girl's Varsity team. In this too only one received her letter.

Our officers this year are: Wilson Gilmore, President; Charles Heusch, Secretary; Virginia Sunderland, Treasurer.

We close this year promising to do as well if not better in our future years.

.....

Our Class

Our class is not a large one
We all must admit,
But all the things that we have done
Have both been just and fit.

We have tried to show our spirit,
For our class and for our school,
And we'd like you all to hear it,
That we're going to make our goal.

So we must leave you this year
Though our Sophomore year was fine
For we soon will all be Juniors
And be marching down the line.

A. Sophomore.

Last Will and Testament of the Senior Class of 1929

To her sister class, the Sophomores.

The Senior class of '29, being of sound and disposing mind and memory, considering the short duration of our school life in St. Marys High, and desiring to dispose of our wordly goods and talents as we think best, do make, publish, and declare, this to be the last will and testament of the Senior class of 1929.

To Wilson Gilmore, Everette Springer's height.
To Wilson Selby, Albert Andreoni's tootball pants.
To Charles Heusch, Waldon Grundish's ability to run.
To Mr. Van Cleave all the broken beakers in the labratory.
To Virginia Sunderland, Inez Montague's right to be cheerleader.
To William Christopher, John Roebuck's ability to play football.
To Marie Guy, Rowena Banning's ability to translate Latin.
To Howard Sudman, "Red" Lutz's ability to flirt with the girls.
To Virginia Brodbeck, Grace Priller's singing ability.
To Evelyn Ellerman, Pauline Horn's daily dozen.
To Faye Diehl, Thelma Arnold's curiosity.
To Guy Teeters, John Hauss's ability to play the drums.
To Ted Southerland, Elmer Gilmore's backwardness.
To Dorothy Dammeyer, Harry Alspach's foolishness.
To Frederick Heath, Alvin Noble's ability to pole vault.
To Arthur Boyce, Mr. McBroom's sneezing power.
To the Sophomores the upper hall to roam in.
To the Sophomore class, the Seniors wish to leave this piece of advice:

What's the use to hustle?
We've found the easiest way
Is never to do 'till tomorrow
What you can put off today.

History of the Freshman Class

On September 4, 1928, the Freshman class entered Memorial High School with an enrollment of one hundred and forty three. This class was one of the largest which ever entered.

Not long after the first semester had bgun, a meeting was held for the purpose of electing officers and choosing class colors. The following were elected to office:

President ---------- Robert Heap
Vice President ---------- Louis Sturgeon
Secretary ---------- Ruth Priller
Treasurer ---------- Marie Guy

The colors chosen were green and white.

The Freshmen, both boys and girls have been active in High School athletics.

With the exception of the death of our friend and classmate, Martha Brewer, whose fatal accident came as a great shock to all, our first year of High School has been uneventful.

We are certainly proud of our class of 1932; and, although we meet with some opposition the first year, you are sure to hear of bigger and better things that we will do in later years.

Freshman Poem

The Freshmen brave are we,
And courageous we must be.
For in corridors and class,
They say as we go past.

"Hello Freshmen!
Gee, but you look kind of green.
Are you as dumb as you really seem?"
We stage a rush down the hall
And the classes move or take a fall.

But after all is said and done,
Memorial Hi is the only one
To which we'll give our very best
The same as done by all the rest.

IN MEMORIAM

IN MEMORY OF MARTHA BREWER WHO WAS LOVED AND RESPECTED BY ALL WHO KNEW HER.

MARTHA WAS A VERY SINCERE AND CONSCIENTIOUS STUDENT. SHE APPLIED HER ABILITY IN HER SCHOOL WORK, THUS ACCOMPLISHING MUCH.

MARTHA WAS WELL KNOWN THROUGHOUT THE FRESHMAN CLASS OF WHICH SHE WAS A MEMBER. BY THE FRIENDSHIPS FORMED WHILE IN SCHOOL SHE SHALL ALWAYS BE REMEMBERED BY HER CLASS AND ALL WHO KNEW HER.

KENTON—0

M. H. S.—6

Prospects for a successful season looked bad with only four letter men reporting for practice. Captain Christopher could not report for duty, for he was confined to his bed with a broken hip.

However, we started out with a bang and won our first game. Victory after victory was ours until that fatal Thanksgiving game with Wapak.

VAN WERT—6

M. H. S.—25

Two weeks after our first game we traveled to Van Wert. Our opponents started the game by making a touchdown the first 3 minutes of play, but our men stopped their quick rush and started a strong offense attack which was made possible by our heavy linemen. Again we were victors by our determined efforts to win.

BELLEFONTAINE—12

M. H. S.—37

Our second out of town game netted Memorial High another victory against the strong Bellefontaine team.

We scored a touchdown on the first play. Long, by his side-stepping and stiff arming, carried the ball from midfield for a goal. This game was played mostly for breaks, and Memorial got her share.

WAPAK—12

M. H. S.—25

Wapak came over all set to win. Neither team had suffered defeat thus far. But Wapak found it took a real team to defeat M. H. S. The Blue and Gold men started with a rush. At the end of the half the score was 6-6. Wapak tried to rough it up a little, but you can tell who got the worst of it by the looks of the score.

CELINA—0

M. H. S.—20

This was the hardest fought game of the season. The Celina boys were determined to score, but only once did they threaten our goal. This game was played mostly on the Bulldog's (Celina's) half of the field, and so we handed them a 20-0 defeat. Not so bad.

SHAWNEE—0

M. H. S.—12

This game was played in a sea of mud and blinding rain, but we managed to float the pigskin over twice. This was our 6th straight victory.

VERSAILLES—6

M. H. S.—12

This game was scheduled for the second team. The Versailles team put up a real fight during the first half. At the end of the half, the score was 6-0 in favor of Versailles. After a good speech from Coach Reed the boys snapped out of their listless spirit, and won by a score of 12-6.

CELINA—0

M. H. S.—19

The second game with Celina was another battle. Despite their Bulldog spirit we won from the Celina team a second easy victory.

WAPAK—19

M. H. S. —0

On the 29th of November we went to Wapak. Due to lack of training and over-confidence, our team by far the heavier and stronger of the two went down to defeat. Never before did our boys fight so hard, but fate seemed to be against us. Our team was not the same one which had fought so hard at the beginning of the season.

COACH ROBERT REED

Mr. Reed needs no introduction. The success of the M. H. S. athletic teams this year proved to us his ability as a coach. He was always on the job. He worked for the glory of the school. Many thanks and best wishes for his future success.

CAPTAIN HARRY CHRISTOPHER

Red was our captain this year. He was kept out of the game most of the season due to injury, but Oh! boy when he did get in how the fireworks did fly. He was a fine leader, and loyal to his team and school.

RICHARD MONTAGUE

Rich played a stellar game all season. He easily won the end position. As Captain-elect he has the good wishes of everyone for a successful year.

ORVILLE RHODES

Orv developed into a good end this year. Not a team we played this year was able to get around his "wing." He will be with us next year.

JOHN ROEBUCK

Johnnie was one of the big iron men of our line. He was fast for his size and when he hit? ? ? Well things had to happen. John has played his last game for M. H. S.

HARRY ALSPACH

Ossie was an ideal tackle. Big, quick, and plenty tough. Ossie and Johnnie were the best pair of tackles we have had for a long time. Ossie liked to get the ball on the kick-off.

HARRY CRITTEN

Tanky was a man who could hit the line and make an opening in it for some back field man.

Although this is Tankey's first year he showed the boys that he could play football. We are sorry to lose him.

ALBERT ANDREONI

Al had to work hard for his letter, when he was called upon to defend Memorial's goal he put every pound of his weight into it. He will be missed next year.

ALONZO DEERHAKE

Alonzo held down the center position this year. There never was a slack moment in his hard fight. Spurt Alonzo is a Senior.

LAWRENCE MINGUS

Although Lawrence could only be with us part of the season he has made a name for himself as a guard. Whenever he got angry something was going to happen. Lawrence will be back next year with all the good wishes of the team for him.

RALPH WHITNEY

Whenever the team got into deep water it was up to Ralph to pull them out. He was as good a guard as you will find. He also graduates this year.

ROLLIN BOWERS

Rollin alternated with Orv and Rich. He is to be rated as one of our best ends. His main hobby was to snag passes with one hand. We also lose Rollin by graduation.

ELMER GILMORE

Elm acted as field general of the eleven. In this he used good judgment at snapping the correct plays at the correct time. Elm kept the Spirit up in the backfield.

EDISON TAYLOR

Although this is Tip's first year he turned out to be a real football player. Tip made some nice runs for the "Old School." We are sorry to lose such men as Tip.

WILSON SELBY

"Red" played consistent and aggressive fullback. He made many fine punts and runs. He will be back next year. Luck to you "Red."

LELAND LONG

The best half we had. Faster than greased lightning was "Lee." During none of our games did we find a player who could tackle him. Lee will graduate this year.

HAROLD THIELK

When a blue and gold jersey could be seen flashing here and there one could bank on it being Harold. He was quick and could find an opening anywhere. Harold is another Senior.

WILSON BOWMAN

Although it took Bill some time to get started he surely showed the boys that he could play football. He showed what he was made of especially at Van Wert. We are sorry to lose Bill this year.

EDWARD REILLY

Eddie was our fighting half who went right through the line for many large gains. Eddie was much like his brother "Joe." Hard to beat. We will miss you "Ed."

ALBERT ANDERSON

Te-Bone—the lightest fullback Memorial has ever had. He was noted for his excellent punts and end runs. He will be with us next year.

Midwest Conference

During the late spring of 1929 a new league was formed which was called the Mid-Western League. Its purpose is to foster a greater interest in athletics and to regulate athletics of the League members including St. Marys, Celina, Wapakoneta, Van Wert, Kenton and Ada.

Memorial schedule in Basketball is as follows:

Season's Resume

The Boys Basketball season of 1928-29 started off with many new faces showing up for try outs. Every one knew after the first week's practice that we were going to show up better, in this sport than we had for the last four or five years. Opposition being very keen, Coach Reed decided to choose a Varsity team and a Reserve team.

The Varsity started off with a bang by piling up three straight victories only to be scared out of a victory over Wapak whom they later defeated decisively. Our boys established a record by not losing to any high school on their home floor. The latter part of the season was not as good as it might have been due to laxity concerning training rules. Following is a record of games played:

Memorial High School	23	New Bremen	21
Memorial High School	27	Celina	15
Memorial High School	34	Rockford	22
Memorial High School	11	Wapak	14
Memorial High School	19	Kenton	10
Memorial High School	28	Van Wert	26
Memorial High School	12	St. Rose, Lima	31
Memorial High School	34	Rockford	36
Memorial High School	26	Wapak	14
Memorial High School	34	New Bremen	35
Memorial High School	25	Celina	32
Memorial High School	34	Lima South	38
Memorial High School	20	Wapak	28
Total	327	Total	322

The purpose of the Reserve Team was to threaten men on the Varsity; stimulate an interest in Basketball; and develop material for the following season. The Reserves succeeded in putting up very stiff opposition to teams who defeated the Varsity the year previous.

Basket Ball

HARRY ALSPACH—CAPTAIN

Harry is a dependable guard. This is his last year of Basket-ball with the Blue and Gold. He is a happy-go-lucky fellow but when he is mad—opponents beware.

JOHN ANDERSON

T-bone, as he is called by his chums, is a brilliant basket-ball player. When T-bone gets hot in a game the coach of the other team feels like throwing in the towel. He will be with us next year.

ALONZO DEERHAKE

"Cannonball" is a reliable center. He does not play in streaks but plays a steady consistent game. This is his last year.

JOHN BURKHART

"Johnnie" is our flashy forward. He plays a steady offensive game. Johnnie also has a knack of making baskets when the team is in a tight place. We expect a lot from him next year.

ALVIN NOBLE

"Al" is a guard who is not afraid to mix things up. He also plays a steady game. This is also his last year with M. H. S.

EDWARD REILLY

"Ed" is the best shot on longs on the team. Whenever "Ed" shoots, the ball goes in the basket as if it had eyes. He will not be with the Blue and Gold next year.

ELMER GILMORE

"Elm" is a speedy forward. He is fast in passwork, plays a good defensive game. This is Elm's last year.

HARRY CRITTEN

"Tanky" is a reliable center. "Tanky" can step right in a fast game without causing a hitch in the team. He will be missed next year.

DAMIAN AXE

"Ding" is a small fast guard. He repeatedly proves the theory that speed and not size makes a basket-ball player. He will be with us next year.

Girls' Basketball

INEZ MONTAGUE

Inez was Captain this year. She was that small forward who could dodge around her players and make pretty baskets. She leaves M. H. S. this year and her place will be hard to fill.

ELIZABETH MILBOURNE

"Lizzy" was a strong guard, breaking up many of her opponents good plays. She will be here to fight for the Blue and Gold again next year.

EVELYN ELLERMAN

Evelyn was our center this year. She played her part very well and was right on the spot where ever she was needed. We hope she will play as well next year.

GEORGIANNA CASAD

It was no fault of Georginna's that the team lost a few games. She was one of the hardest workers on the team. We hope she will show the same spirit next year.

FLORENCE SWANK

We are proud to say that Florence was another good guard. Florence has another year and we hope that we will hear more of her.

MARY GRINER

When any fighting needs to be done Mary is up and ready to fight for the Blue and Gold. Mary is a Junior this year so she will be able to fight for her school again next year.

MARTHA DENNINGS

Martha has several more years to play for M. H. S. We hope she will keep up her good work.

MARY BLAKELY

Mary played hard every game she was in. Mary has two more years to play for Memorial High.

MARGARET COON

Margaret played hard in every game she was given the chance. We didn't hear from her very much, but next year we will expect a lot from her.

MARIETTA HAYES

This was Marietta's first year in M. H. S. We didn't see her much but she sure can play. We will miss her next year.

Two players who didn't finish the season were Mary Alice Beale and Virginia Frey. We hope they will come out next year and fight for M. H. S.

Mr. Wolf ---------- Director

The Memorial High Band this year under the leadership of Mr. Leonard Wolfe proved to be one of the outstanding organizations of the school. Playing at the public entertainments and many of the athletic games. The band has helped to put real school spirit into our High School.

Some of the boys will be graduated this year, but there will still be very much good material for Mr. Wolfe to work with next year.

The High School Orchestras

The Advanced Orchestra under the direction of Miss Emma Kohler has been remarkably successful this year. This has been accomlished by the diligent practice of the members and to their instructor, who has devoted much of her time to this work. It is composed of the more advanced musicians of the high school.

During the year the orchestra has played at many of the entertainments given at the high school.

The General Orchestra under the direction of Miss Kohler has played an important part in the high school activities. This orchestra is formed to train the new members to take the place of the graduating musicians. The orchestra has accomplished much during this year and will hake some good material for next year.

Debating Team

Coaches _____ Mr. Koenig and Miss Andrews

PERSONAL

Top Row: Katherine Rupert, Edward Reilly, Rollin Bowers, Albert Andreoni, Alfred Heinrich, Miss Andrews.

Bottom Row: Crist Badertscher, Dale Van Stronder, William Engleman, Robert Coffin, Vernon Bushong Mr. Koenig.

Debate

The debating teams of Memorial High School this year debated the question, "Resolved that the United States should cease to protect by armed force the capital of its citizens which is located in foreign countries, except after a formal declaration of war."

The affirmative team, which was coached by Miss Alice Andrews, was composed of Edward Reilly, Katherine Rupert, Albert Andreoni. The affirmative alternates were Rollin Bowers and Alfred Heinrich.

Mr. Fred E. Koenig coached the negative speakers, William Engleman, Vernon Bushong and Robert Coffin, and their alternates, Crist Badertscher and Dale Van Stronder.

The intended debate for February 26 between the Delphos debaters and the Memorial debaters was cancelled at a short notice, but our home audience was not disappointed, for the St. Marys teams matched their wits against each other. This resulted in a heated argument and a close debate, since both teams were well prepared and were thoroughly coached.

The affirmative team contended that military protection should be refused since it was detrimental to the country in which the investments were made and that the United States was imperialistic. They also offered a new plan by which the United States could manage conditions in the Western Hemisphere, but the opposition refuted their oponents argument skillfully enough to receive an unanimous decision of the three judges, Miss Kathryn Geiger, Mr. Albert Bubp, and Mr. Willis Kishler.

A baritone solo was given by Kenneth Gayer during the course of the evening and an interesting operetta was presented by a local cast under the direction of Miss Emma Kohler.

The title of the operetta was "Cynthia's Strategy." The cast of characters was as follows:

Cynthia May Perry—the girl ---------- Millie Amstutz
Smith Stanley Young—the boy ---------- Alvin Noble
Eugene Perry—Cynthia's father ------ Frederick Shipman
Susan Perry—Cynthia's mother -------- Dorothea Botkin

SYNOPSIS

Time: Present Scene: Mr. Perry's living room.

Stanley and Cynthia are in love, but their marriage is opposed by Mr. Perry, Cynthia's father.

"Youth will find a way"—so Cynthia and Stanley devise a plan in which Stanley is to visit Cynthia posing as a girl friend of hers from Chicago.

The girl friend vamps Mr. Perry and gets him into a position in which he is forced to give consent to the marriage.

The May Queen Contest

MAY QUEEN

VERA FISCHER

ATTENDANTS

Mary Alice Beale — Virginia Sunderland

Inez Montague — Grace Priller

Millie Amstutz

The May Queen Contest was held with so much success last year that it has been decided to make it an annual event.

The object of the contest was to increase interest in basket ball. Each ticket sold entitled the purchaser to fifty votes for his choice as May Queen.

To increase the enthusiasm of the contestants, the scores were announced after each game.

The contestants worked hard, and, if they could not all win, they at least, derived the satisfaction of being loyal to Memorial High by doing their best.

Lecture Course

The High School Lecture Course for 1928 and 1929, which was sponsored by the Redpath Chautauqua Company, was very successful, and music was presented by talented artists of exceptional ability.

For the first number the Chronicler steps in front of the velvet curtains of Memorial High School and announces to us the immortal drama of Abraham Lincoln. In flesh and blood we see an impersonator of Abraham Lincoln who makes us forget our environment. We gradually drift back into the pages of history and live over the emotions of America's greatest character. "But now he belongs to the ages" and John Drinkwater's great drama of a real American holds an unequalled place in our hearts.

For the next number we make an intimate acquaintance with Professor B. R. Baumgardt. We are again seated in the beautiful auditorium, hardly daring to breathe for fear we miss one word of "The Romance of American Civilization." We are brought face to face with facts which we have never realized, by a man whose experience is worth an inestimable amount.

Tonight we are jovial, expectant, and happy. From behind the scenes we hear music, the curtains part and for the rest of the evening we laugh and make merry with the little wooden servants of Sue Hastings' Company. Sue Hastings' Marionettes make us forget those troubles of school and home for days afterward the memory of those few happy hours remain with us.

We have immensely enjoyed the first numbers and we see the finish approaching, we pack Old Memorial High School so that for one more time we can be entertained.

The blue velvet curtains even seem reluctant to part for the last time as the Accordian Novelty Company takes the floor. There is not one break in the whole program, just one continuous source of musical entertainment. From this company of four girls we have tastes of popular, sacred, and classical music. Vocal and instrumental selections give us a better appreciation of the best in music. These star entertainers make us regret that the last stub has been torn from our season ticket, and we leave—anticipating another lecture course next year.

High School Carnival

On Nov. 9, 1928 the first High School Carnival ever attempted by Memorial High School was successfully sponsored by the Girls' Athletic Association under the direction of Miss Gertrude Geiger. From the proceeds of this carnival the girls of Memorial High were able to purchase new basket-ball suits and to take care of all of the major expenses of the association.

The large audience of the evening was first taken on a unique trip through the Ladies Home Journal Magazine an excursion from cover to cover.

For the cover of the magazine Miss Vera Fisher posed. The next was an advertisement for Ivory Soap in which Grace Priller and the Bodkin Twins portrayed a story without words. A one act play "When Love is Young" was next presented by Mary A. Beale, Luedeen Nietermayer, Ruth Guy, and Edward Wuebker.

No magazine is complete without an editorial and this one on the subject of Athletics was read by Millie Amstutz.

In the Toy Shop, a typical Jew, Frederick Shipman, conducted a mother, Rowena Banning, and her daughter, Louise Baumgardner, on an inspection of the dolls, Anna M. Yahl, Elizabeth Montgomery, Bud Engleman, Francis Victor and Virginia Banning.

Victrolas were well advertised by our contralto or maybe (mezzo Soprano?), Mary Dorothy Wirwille.

Another feature of the evening was a whistling duet, "Indian Love Call," by Nelle Prichard and Edward Wuebker.

The Dutch Cleanser advertisement was made spick and span by the Dutch Maids, Mary Griner, Elizabeth Milbourne, Annabelle Wellman, Lucille Dennings, Arrilla Heusch, Mary Blakely, Ruth White and Mary C. Croft.

Cream of Wheat was pictured by Harold Thielk and Virginia and Jack Sunderland.

The Wrigleys Geraldine Nagel, Lucille Vogel, Inez Montague, Martha Dennings, Fay Diehl, Marie Guy, Ruth Garwick had a lively chewing match for the approval of their audience.

Woodburys Soap slogan "The Skin You Love to Touch," was pictured by Eunice Engleman and Harry Christopher.

The latest styles were introduced by the following manuequins: Vera Fisher, Natalie Koop, Virginia Sunderland, Pauline Kleinhenz, Ruth Priller, Virginia Brodbeck, Carabelle Stroh and Eunice Engleman.

And the Office Dogs, Lawrence Neitermeyer and Wilson Gilmore, concluded the trip with some lively jokes.

After the main show, side shows were given in the different class rooms. The Radio Broadcasting Station, Bluebeards Wives, Amazing Ipta, Wanted a Wife, The Singing Fools, and the Museum were conducted by students who proved their ability to entertain their audience.

After the side show a dance was conducted park plan on the gym floor, and between dances the students ate and drank at the refreshment stand and had their palms read by a genuine fortune teller.

Everyone left happily that evening, and all made it plain that they were anticipating another carnival next year.
